EXPERIENCE

Suchik.com , Jaipur

Sep 1, 2023 - Nov 15, 2023

I designed graphics and provided content for Suchik. I wrote captions and material for Instagram stories, posts, and reels as my work. I design posters for Suchik.com as well.

Community Corps Club, Jaipur

Feb 25, 2022 - Jan 30, 2023

In my school, I served as the club's president. My colleagues and I visited NGOs and educational institutions to offer our support.

Technology Manifestation & Student Scientist Connect Programme, Jaipur

Feb 28, 2022

Along with my colleagues, I had visited the CSIR–R&D CEERI's facility in Jaipur.

Harvard Medical School

Jan 2021- Feb 2021

Participated in the enduring material titled Covid-19: Reflection and Updates.

Ideathon 2021, Jaipur

May 10, 2021

Worked on an Ideathon program that was organized by Arya Group of Colleges, Jaipur.

The University of Sydney India Innovation Challenge 2021

Sep 3, 2021 - Sep 28, 2021

For recognition of my bright idea, Time Machine. Climate action into our day-to-day lives for positive changes.

NEWS

My small essay about ATL labs was featured on school newsbites (newsletter).

LANGUAGES

English, Hindi

Cultural Presentation, Jaipur

Jan 26, 2020

On Republic Day, I gave a cultural presentation at my school.

TINKER FEST, Jaipur

July 26&27, 2019

I gained knowledge about Arduino, code, sensor, 3D scanning, binary bracelets, earthquake engineering, filtered light and solar scopes, metal casting, robot obstacle courses, self-stuffed buttons, stem airplanes, and more during TINKER FEST.

PROJECTS

Self Balancing Robot—ATAL TINKERING LABS

My teammate and I collaborated on a Self-Balancing Robot.

STEAM ENGINE—SCIENCE COMPETITION

Together with my partner, I worked on a Steam Engine. In this, we used heat from the desert to create electricity from steam.
